Black Congregational Enhancement

November 15, 2011

Dear Members and Friends,

Greetings to you in the name of Jesus Christ our Lord and Savior. We hope you are well and we give thanks for you and for all God's blessings to us!

It is now time to open our membership campaign for the year 2012. The membership campaign theme is "WALK WITH US". Under the leadership of our newly elected President, Rev. Dr. Arlene W. Gordon we are moving with new energy to continue the legacy of the National Black Presbyterian Caucus (NBPC).

Our campaign goal is to increase our membership by inviting all people to "Walk With Us" in order to revitalize and strengthen the NBPC and the historical role that African American Presbyterians have lived out in addressing the issues of black Presbyterians. It is our desire to promote the mission of Jesus Christ through growth and healthiness for all black & multicultural congregations addressing issues and challenges that they face as African descendents.

We are urging current members to renew your membership, former members to come back, and first time friends to give us a chance ... and "WALK WITH US". One sure way to realize our goal of increased membership would be for everyone to sign up at least one new member for 2012. We also encourage you to ask people who do not want to become members, to support us in any way they can, especially through their prayers.

The 2012 membership campaign runs thru **March 31, 2012**. A membership application is enclosed. You can help to make this campaign a success!

Thank you for your continued prayers and support for NBPC. May God's blessing remain with you as you "WALK WITH US"!

Wanda McNeill
